20 YEAR LIMITED WARRANTY CERTIFICATE

Ecomfort featuring **ecomemory FOAM**

Anatomic Global, Inc., (manufacturer) warrants the purchaser of this Mattress that it will be free from defects in workmanship for a period of twenty (20) years from the original date of its purchase.

The Ecomfort Mattress limited warranty does not cover normal wear which includes the additional increase of foam softness or a decrease of the foam recovery. All foam, regardless of chemical composition, will lose some of its resiliency (memory) during its life. This is normal and not included in the warranty applicable to this product. Any such changes in the foam over time will not compromise the comfort or the pressure relieving capabilities of the mattress. The warranty does cover deteriorating foam with a visible indentation of three-fourths (0.75) of an inch. The warranty will not cover mattresses that are used on inappropriate foundations, box springs, or adjustable beds that are creating a sag in the surface. The mattress must be used with an approved Ecomfort foundation in order to meet the Federal Register 16 CFR Part 1633 fire standard for flammability. A request for information on your foundation and the quality may be requested. All warranties contained herein shall not apply if the mattress, foundation, or cover has been physically abused, damaged, burned, stained, cut or torn.

Year (1) One to (10) Ten - The Ecomfort Mattress will be either replaced or repaired if deemed defective, at Anatomic Global's discretion. The transportation charges for replacement or repairs will be the responsibility of the purchaser. The mattress cover is warranted for the first two years from the date of purchase.

Year (11) Eleven to (20) Twenty - The warranty during this time is prorated based on the year it is presented as defective. If it is repairable, the purchaser will be charged a handling cost, or if replaceable, the prorated amount plus transportation (valid for both scenarios) will be charged. The replacement charges will be at 50% of the original purchase price for the eleventh year. Starting year twelve to twenty, the replacement charges will increase by 5% additional per year.

The warranty is only valid with the original registered purchaser of the Ecomfort Mattress. The mattress warranty is void if not registered within 30 days from purchase or not purchased directly from an authorized Ecomfort dealer, distributor, or retailer. If a warranty claim is processed, purchaser will be required to return the original mattress.

Retain this warranty and the original proof of purchase in order to validate any warranty claims.
